*Who says coffee is just a drink you take to start your day?*

I can understand, you have just waked up, feeling a little sleepy and drowsy, thinking to kick start your day with a stimulating drink that can make you fully alert and ready to take on the challenges ahead of you.

# WELL...

Just imagine! You are holding your regular coffee cup without thinking about the taste, quality and aroma and are lost in your thoughts.

The noisy atmosphere of the coffee shop making you even more stressed rather than giving you peace of mind which is a prerequisite for making good decisions and staying focused during the whole day.

## Think for a second!

When you buy coffee from a nearby shop without driven by the impulse of your taste buds and the urge of listening to appealing and artistic music...
